

# The Rotary Club of Williamsville

In your honor

Ronald J. Papa

A donation has been made to the Rotary International Polio Plus Campaign to vaccinate 30 children against the polio virus as part of Rotary's global effort to eradicate the world of Polio.

Rotary's Polio Plus Campaign provides much needed vaccine, operational support, medical personnel, laboratory equipment, and educational materials for health workers and parents.

By making a contribution in your honor to Polio Plus, the Rotary Club of Williamsville has assured that you will be part of the successful eradication of Polio worldwide.

Congratulations, and thank you from children and grateful parents throughout the World.
